Examination of the accounts of the Sri
Vyasasaraswami matha.

From

The Muzrai Commissioner

No. C 226 of 1922-Dated 10. 7. 1924.

Received

Diary No. 63.	Inc's	Spate Copies.	Serial No.
---------------	-------	---------------	------------

BRIEF ABSTRACT OF LETTER.

Forwards copies of Nbs received from Mr. A. Mrityanjaya
for the examination of the accounts of the Sri Vyasasaraswami matha
view of fixing the correct balance and submit orders thereon.

NOTES AND ORDERS.

Points for ~~for~~ orders are:—

- (1) as to limiting the scope of the Special d
Officer's examination of the accounts
the Sri Vyasasaraswami matha to the
credit-side and the figures as booked
in the Comptroller's ledger being accepted

Serial
No.

on the debit side.

(2) Sanction to the cost of the special duty estimated at Rs 1200/- being sanctioned the same being met out of the funds of Matha.

2) The Muz Com^y. suggests that the Legislative Secretary to Govt might be consulted as to the feasibility of utilising the funds of the Matha towards the cost of ascertaining the actual balance at its credit, since the Matha has not executed the agreement yet though the management of the properties was handed over on 31st July 1921.

3) It is for consideration if the Matha itself may not be consulted as to where this it is agreeable to bear the cost in which case no legal liability need be apprehended.

8) The points in order are

Comparing the scope of the further examination of the accounts with credit side only, accepting the Camps' ledgers as regards debits. This may perhaps be approved, as the Special Duty Officer says that the expenditure in the Camps' books are all booked on proper vouchers.

ii) Authorizes the Special Duty Officer to look into the registers & other records with the present Agent of the State. The Special Duty Officer states he does not want the help of an Agent, and that it is enough if the Saravathi Kani is asked to allow him to ~~take over~~ him to take charge of the register or other records that may have been maintained by the Agent. Authorizes or at least to allow him to take copies of them. This may also be approved.

iii) ~~Do as the~~ Authorizes the Special Duty Officer his staff to go to Mysore, T. N. Rangappa's place in the papers. This may also be approved.

with the Gumbaz accounts with Special Duty Officer. It is a point for consideration why his remuneration should not be fixed at that sum for this work also. In any case, it would seem to be preferable to pass over in the question of remuneration, as was done in the other case, after the work is completed, ~~to this into consideration~~ it would then be possible to have an idea of the kind of work that the Special Duty Officer does.

No. C226 of 22-23 Office of the Muzrai Commissioner in Mysore,

Encl Two.
02843

Dated Bangalore, 10th July 1934.

From

K. Chandy, Esquire., P.A.,

Muzrai Commissioner in Mysore,

Bangalore.

my
1. J. To

GEN. & REV. SECRETARY
12 JUN 1934
MUZRAI

Gen 63

K. V. Anantaraman, Esquire., P.A.,

Secretary to the Government of

My. 18-21-1.

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

Referring to your letter No. 1679/W.F.75-22-13 dated 19th May --
1934 in the matter of the examination of the accounts of the Sri ----
Vyasarayaswami Matha and of fixing the correct balance that was ----
available at its credit on 31st July 1922, I have the honor to submit
herewith for favour of Government orders copies of notes dated 2nd --
and 4th instants received from Mr. A. Mrityanjaya Iyer detailing the
modus operandi of the work and stating that it will be sufficient for
all purposes to limit the scope of the examination of the accounts to
the credit side, the figures as booked in the Comptroller's ledgers
being accepted on the debit side.

2. Mr. Mrityanjaya Iyer estimates the cost of the special audit at
Rs. 1200/- and proposes that it may ^{be} met from the funds of the Matha --
which still continues to be borne on the ledgers of the Comptroller --
though the management itself was handed back on 31st July 1922. As
the Matha has not yet executed the agreement required by Government the
utilisation of its funds for the purpose of ascertaining the actual --
balance at its credit would appear to be justifiable for safeguarding
the interests of Government but the Legislative Secretary has suggested
he kindly consulted in the matter.

The Comptroller is being asked to report direct to Government.

the balance available.

I have the honor to be,

Sir,

Your most obedient servant,

W. L. L. L.

Muzrai Commissioner.

KJR.

Di

N o t e.

One of the duties assigned to me as part of the special duty was to examine the credits and debits of the funds of the Sri Vyasaraya Matt which then was ~~made~~ under Government management.

2. This examination has been completed so far as it relates to the credits and debits of Matt funds which have passed through the Treasury and the Comptroller's Books and the results are incorporated in the statements of balances of Muzrai Institutions, the Matt having been treated in the Comptroller's ledgers as one of the major Muzrai Institutions.

3. It has not been found possible to extend the scrutiny further by verifying these credits and debits with any separate Departmental accounts as has been done in the case of the funds of Sri Sivaganga Matt for the simple reason already reported by me, viz, that in respect of the revenues from the Matt's Inam villages within the State, ^{no}~~no~~ separate accounts have been maintained in any Taluk or District office while in respect of the income from the estates situated outside the State no accounts were made available to me either by the Muzrai Superintendent or the Matt Agent. The agency itself was terminated on 30th June 1922 and the Agent's records of the management were all given away to the Matt.

4. I have now been asked by the Muzrai Commissioner to take up this work with the help of the Matt Agent who is now working under the Sarvadikhar. I shall be glad to do it.

5. With reference to this work I venture to submit that it will be sufficient for all purposes to limit the ~~xx~~

scope of the further examination of the accounts to the credit-side just to being assured that all sums actually collected from the Inam villages of the Matt within the State and all sums remitted to the Muzrai Superintendent by the Matt Agent and lessees of the larger estates situated outside the State have all been accounted for by credit to the Matt Funds held in the Treasury without any leakage by way of 'Bobhore' in the credits, lapses of Remittances, Transfer cheques or other causes. As regards the debits, the Comptroller's ledgers may be accepted as they are all booked on proper vouchers which, it is needless, to go into again.

6. On receipt of the Muzrai Commissioner's communication, I obtained from the office all the registers of Matt accounts maintained by the Muzrai Superintendent. Perusing the registers, I find that they have not been kept in a connected link. But yet *by taking* all the registers ~~putting~~ together, I am confident that a complete account of the whole from the beginning to the end may be reconstructed; and this, checked with the Taluk accounts, of village collections, the accounts of remittances, if any, kept by the Agent and the Books of the Comptroller's office must result in a satisfactory verification of the credits of Matt Funds.

7. For purposes of this work, it is needless to disturb the Matt Agent from the Sarvadhikar. In fact, the Agent Mr. Srinivasa Gopal will be of no help to me whatever. All that I want is the register or other records that might have been maintained by the Agent detailing the amounts actually remitted to the Muzrai Superintendent by himself and the lessees during the 18 years of Government management from 1905⁵ to 1922. The Sarvadhikar may be asked to allow me to take charge of the register or other records if any had been maintained in due course of business; *if* it be inconvenient to him to spare the originals, I shall have copies of the entries taken for my reference.

8. As regards the receipts of revenue from the Inam villages within the State, they are twenty in number spread over 15 Taluks of all Districts except Kadur. They came under the direct management of the Government in 1903. The collections have all gone into the Taluk Treasuries; the details thereof, item by item, can be readily compiled

from the village khirdies and khates and the credit of the moneys to the Matt funds may be verified by reference to Treasury Books.

9. . Shortly after taking over the management of the Matt Inam villages within the State, the Government issued an order No. 785-9/Muz.F.57-92 dated 29th September 1903, directing that the revenue collections of the villages should be remitted by P.S.T.R. to the Deputy Secretary to Government for investment in the savings bank. All money transactions of the Matt were conducted by the Deputy Secretary through the savings bank. The savings bank account was closed in April 1908, shortly before the Deputy Secretary (the late ^{Mr} Ananthaswami Rao) retired. The S.B. Pass Book is in the office put up in the file relating to balance of Matt funds.

10. Even after the S.B. account was closed, the remittances to Head Quarters were, however, continued for a long time and the moneys on encashment of the cheques were paid by the Muzrai Department into the District Treasury at Bangalore to the credit of the Matt funds. The entries in the account books of the Muzrai Superintendent's office appear to be complete in respect of these remittances and there will not therefore be much difficulty in verifying the credits of the collections from the Inam villages within the State.

11. One essential work which I shall have to do myself is to fix the balance that remained at the credit of the Matt on 1st July 1903, the date on which the affairs of the Matt came under the direct management of the Government.

There is a long pending correspondence on the subject between the Comptroller and the Muzrai Superintendent. The file is now before the Muzrai Commissioner; the late

Mr. T. Lakshminarasimha Rao as Vice President of the Matt Committee has, in his letters to the Muzrai Superintendent dated 11th March 1921 and to the Muzrai Commissioner under date 7th February 1923 claimed a large surplus in favour of the Matt. The question still remains^S unsettled to the satisfaction of the Government, the Comptroller of the Matt. The circumstances relating to the dispute are now explained in the following paragraphs.

12. Though the villages of the Matt situated within the State were taken over under the direct management of the Government from 1st July 1907 under orders contained in Iros. No. 2417-23/Muz.F.57-18-1902 dated 30th May 1903, yet the cash grant of Rs. 3,977-12-0 a year payable to the Matt had been brought under attachment by Government so far back as May 1893 and the allowance remained unpaid since then. The money so withheld was still retained by Government for the benefit of the Matt and when the Government took over the management of the Matt villages in July 1903 the accumulated amount of undisturbed tasdik to the total of Rs. 39,007-2-4 till then held under the head 'Funds of Muzrai Institutions under the temporary management of the Government' was drawn in communication with the Comptroller and credited to the savings bank account in the name of the Deputy Secretary to Government, Muzrai Department and expended away for various purposes of the Matt including an investment of Rs. 40,000/- in the Government 4% Loan. The S.B. account was closed in April 1908 and the balance of Rs. 524-13-7 which then remained was transferred to the Comptroller's accounts under 'Surplus Funds'.

13. Yet in the face of these transactions, the Comptroller has, in his Muzrai Ledger of 1907-08, opened the Matt Account with a debit balance of Rs. 22,875-10-9 and the consequential debit balances against the Matt from time to time has formed the subject of correspondence with the Comptroller since April 1916 which still remains undisposed of

14. I have just perused the file which I obtained from the office and I find that the correspondence is the outcome of a grave misconception, both the Comptroller and the Muzrai Superintendent failing

to see that the balance last worked up to June 1900 and accepted in the Government Order of 19th March 1904, do not include the funds of Institutions then under the temporary management of the Government. This is clearly stated in my report accompanying the statements and it is also clear from the Comptroller's letter to the Government No.6687-55 dated 15th June 1901 read in the Government Order of 19th March 1904. Both the Note and the Comptroller's letter are in the Secretariat file.

15. A study of the following figures will place the matter beyond all doubts:-

O.B. on 1st July 1900

As per General Ledger. Surplus	R ^s 1,11,727-13-7
Hosahed	3,90,128-9-0
Total	R ^s 5,01,856-6-7

Funds of Institutions under temporary management.	80,605-11-6
Total	R ^s 5,81,462-2-1.

Exclusive of the funds of Institutions under temporary management of Government the balance of the Muzrai Institutions under the heads 'Surplus' and 'Hosahed' on 30th June 1900 was only R^s 5,01,856-6-7 which stands distributed in the statements appended to the Government Order of 19th March 1904 as hereunder:-

Bangalore District.	53,128-15-9
Kolar ..	23,035-2-2
Tumkur ..	6,887-11-9
Shimoga ..	66,660-1-6
Kadur ..	1,25,776-5-2
Chitaldrug ..	11,959-0-9
Mysore ..	1,76,947-1-0
Hassan ..	36,496-0-0
Untraced difference	966-0-6
Total	R ^s 5,01,856-6-7

16. The Institutions, then under the temporary management of the Government which were 10, in number, had on 30th June 1900 an aggregate balance of Rs. 80,605-11-6 and this amount is included in the closing balance of Rs. 4,23,154-1-8 on 30th June 1907, which has been distributed in the Comptroller's ledger 1907-08 by Districts and Taluks and in details of major and minor Institutions. I cannot therefore understand the Comptroller saying in his letter No. 7836/689 dated 12th April 1916 that in the individual accounts opened 1901-02 the Matt was started with a nil balance because it did not find mention in the statements appended to the Government Order of 19th March 1904 and the debit balance of Rs. 22,876-10-9 with which he has opened the ledger accounts on 1st July 1907 is still a greater puzzle to me.

Evidently there has been some deep confusion in respect of the Matt accounts which it is necessary to clear without further delay, to the satisfaction alike of the Government, the Comptroller and the Matt.

17. The earlier file of correspondence about Matt funds in 1904 and 1904 is very clear on the subject and the existing differences may be easily cleared by looking into certain Treasury 'C' accounts and records of District Treasury specifically mentioned in the file.

In fact on further consideration after a study of the file relating to the Matt accounts of 1903 and 1904 I feel the necessity for revising the statements relating to Matt credits, debits and balance so as to reconcile the whole from 1893 when the Tasdik grant was first brought under attachment by the Government.

This, I shall have to do at once and this will necessitate my going to H.Narsipur and Mysore.

18. All this work requires some patient labour of not more than three months and I should require the help of three experienced officials

Inclusive of the pay of the officials, the travelling allowances and my own remuneration, the cost may come to ~~between Rs. 1,000 and Rs. 1,200~~ Rs. 1,200 on the whole.

I shall submit a separate note of my proposals about the personnel of the officials pay, T.A. and my own remuneration etc.

This is not much considering the magnitude and responsibility of the work to be done over the accounts of 30 years from 1893 involving several lakhs of rupees.

19. The cost may be debited to Matt funds which still continued to be borne on the ledgers of the Comptroller ~~th~~rough the management itself was handed back on 1st July 1922.

20. If approved, I shall start the work at once.

a h n h

d July 1924.

Note dated 4th July 1924 from Mr. M. Mrityunjaya Iyer to the
Muzrai Commissioner in Mysore.

"Verification of the accounts of Sri Vyasarayawami Matt.

"Referring to para 18 of my note of 2nd July I beg to propose
the following establishment temporarily for a period of 3 months.--

A.	1. Mr. C. Krishnamachar	--	Rs.35/-
	2. " C. Rama Rao	--	" 35/-
	3. " T. Rama Rao	--	" 20

			90/-
A. Leon			5/-
	Contingencies		1

			Rs. 100 a month.
	for 3 months	-----	300/-
B.	Travelling allowances for self and establishment.		200/-
C.	Remuneration for self.		700/-

			Total. 1200/-

All the three whom I have proposed are officials retired
from the Government service.

2. The first Mr. C. Krishnamachar is a retired Head clerk of
the Muzrai Superintendent's Office- He entered service when the --
office was first formed in 1892 and he took a voluntary retirement
in 1913 at a very early age of 45 owing to stress of domestic ---
circumstances.

All the time he was in the office, he was in charge of the
Records and he also maintained the account Book of Sri Vyasaraya
Matt funds from the very beginning in 1903 until his retirement.

Long after his retirement he was specially selected to re-
sort and arrange the records of the Muzrai Superintendent's Office
which had fallen into confusion- On the completion of this work,
he was taken to the special duty establishment on a salary of --
Rs.35/- a month and Travelling allowance on his original pay of

Rs.

Rs. 60/- without prejudice to his pension.

Mr. T. Krishnamachar's knowledge and experience of the records and of the matt accounts of the earlier period are very valuable. In this view, his help is in a way very necessary too. He has agreed to work again for 3 months on a salary of Rs. 35/- a month.

3. The second Mr. C. Rama Rao is a retired Taluk ~~Shirestedar~~ Shirestedar of Tumkur District. He was long the head accountant of Kolar District Treasury and as Treasury Officer of the District for 3 years I have known Mr. C. Rama Rao as a very capable accountant equally hard working honest and well-behaved. He possesses a very good knowledge of Revenue work too. At time of retirement, Mr. C. Rama Rao was ⁱⁿ receipt of a pay Rs. 30 + 10 (Gratification compensation) and his pension is Rs. 25/-. He has agreed to take up the job for 3 months.

4. The third official Mr. T. Rama Rao is a retired local Fund clerk of Bangalore District Office. He was getting a salary of Rs. 35 and was retired from 1st August 1923 on a superannuation pension of Rs. 16/- a month. He has worked in the Taluk offices of Tumkur District for over 15 years as Masaddi and Revenue Gumasta. I selected him on his own application to me.

5. The provision of Rs. 200/- for travelling allowances is intended to meet the allowances of the officials and of myself. Two of the officials, Mr. C. Rama Rao and Mr. T. Rama Rao will be sent to the -- several Taluk head quarters together to one or two stations close by at the beginning and later on separately to different Taluks.

6. As for myself a journey to Mysore and 1. Narsipur is very -- necessary at the outset under circumstances explained in paras 12 & 13 of my note of 2nd instant. I may also have to go to some Taluk stations in case of special difficulties in getting up correct local accounts of the matt villages. These journeys to Taluk ---- stations, I shall take only under exceptional circumstances of -- necessity and with the previous approval of the Muzrai Commissioner. As it will be inconvenient to wait for the sanction of the Government for every journey of mine the general sanction of the Government may be kindly obtained beforehand.

The officials will be allowed travelling allowances on the Mysore Service Regulations with reference to their respective pay at time of retirement from the regular service.

8. Lastly, as regards my remuneration, the amount provided is just a little (Rs.25) over my pension for 3 months. I shall not mind even if the work of final reconciliation of the figures by the Comptroller takes some time longer.

9. As I have submitted in my Note, the total cost of Rs.1200/- as above is not much considering the magnitude and responsibility of the work to be done in respect of the accounts of Matt funds, for 30 years and aggregating to several lakhs of rupees.

4.8 on way
Dinner see his new place
book on (Perry) 12/15/94

Letter dated 19th July 1924 from Mr. A. Mrityunjaya Iyer to the
Muzrai Commissioner in Mysore.

"I submit herewith a note in reply to the Comptroller's letter to Government about certain differences noticed in the course of the reconciliation.

Regarding the "Untraced items" I have given complete lists -- detailing the items by particulars of Taluks and dates and the ---- accountants should be able to find out, ere long, Institutionwar --- details as far as may be possible from the records of the Comptroller's office.

In short, this completes all that I have to do personally in the matter of the determination of Muzrai balances up to the end of 1920.

I have to go to Palni Hills for a Family Seva about the beginning of next month and I shall be away for about a fortnight.

In case I have to do the work of Sri Vyasaray Mutt accounts, I should like to start the work and leave complete instructions with the accountants before I leave this place so that they will have done some work in my absence. For instance, one of the accountants will be deputed to obtain from the Sarvadhikar complete statements of all moneys remitted by the Muzrai Superintendent by the Agent and the -- lessees since 1905. The other two will be sent to the several Taluks to compile statements of Treasury credits of revenues realised on --- Mutt villages. I shall have to prescribe the forms for these ----- compilations and give full instructions to the accountants as to what exactly they have to do and perhaps do a little work myself with them before I start from here so that I may be confident that they have -- rightly understood what exactly they have to do during my absence.

Signed by *Mr. S. Narayana*

In this way much of the preliminary compilations might be ready by
I return and I can then commence the work of checking and reconciling
compilations with the books of the Muzrai Superintendent's and the
Comptroller's ledgers.

I request the favour of early orders in the matter."
